Supporting Special Olympics with a plunge

Members of Gershow Recycling and their families took part in the fourth annual Town of Brookhaven Polar Plunge at Cedar Beach in Mount Sinai. Gershow was also one of the sponsors at the event and provided doughnuts and hot chocolate for the participants. The event raised money for special-needs athletes who take part in Special Olympics

New York. Gershow donated \$500 to sponsor Lori Sindone, whose father, Louis, is a longtime Gershow employee.
